Power saving devices recalled

About 45,000 "Energy Smart Power Planners," made by Coast Energy Management Inc., are being recalled because of an electric shock hazard to consumers. The power saving devices are connected between appliances and wall outlets to save electricity. They are white plastic, with "Energy Smart" printed in green writing. The devices were sold through Home Depot, Costco and Orchard Supply Hardware stores beginning in September 2000. Consumers should unplug these devices immediately and call 1-800-808-8897 or e-mail www.energysmart.com

Administrative officer briefing Wednesday from 1-2 p.m.

An administrative officer briefing on the Integrated Financial Management Program will be from 1-2 p.m. Wednesday in Bldg. 4200, Room 211. The briefing covers the "Position Description Management Project."
